

# Aerials Educare

E-learning support for active, responsible Kids.

## FULL DAY E-LEARNING SUPPORT

Students will select from their school district's e-learning platform, PASD, SFSD, or OJRSD. The E-Learning Center is a self-guided virtual education option during COVID-19 for students who are intrinsically motivated and ready to learn! Parents manage their child's curricular selection and Aerials staff are the **support system and oversight** during the day to get things done!

## DAILY PHYSICAL EDUCATION

Students will have a 15,000 square foot playground for recess and physical education!

Ninja + Parkour, Gymnastics, Trampoline, Basketball skills, TaeKwonDo, Yoga, GaGa ball and much more!

## EXPERIENCED AERIALS STAFF

We will have adult supervision on-site during learning hours. Every pod will have a dedicated education facilitator that:

- ✓ Provides structure and daily routine
- ✓ Assists with any questions or concepts
- ✓ Keeps your child engaged & the learning experience fun!

For questions, please contact Julie Morrow, Virtual Learning Department Leader, [julie@aerialsgymnastics.com](mailto:julie@aerialsgymnastics.com).

**Aerials follows ALL PA State and CDC COVID-19 Health and Safety recommendations for safety and cleanliness.**

## WHY AERIALS?

We know kids! We also know that movement activates learning. Research shows that kids focus better when they have been able to engage in physical activity, and there's no better place than Aerials. When it comes to education, parents are being faced with incredibly difficult decisions. We believe that Aerials Educare is a great alternative to at home virtual class.
