I WANT YOU!

Sure it's been a few years and a bunch of kids later, but you still have it.

Maybe you played sports as a kid. Maybe you were a teacher before the kids came along and had to stop working full time.

Maybe you remember the teacher that said just the right thing, just the right way, and it clicked for you. Maybe you're the one who needs to join the Aerial's team.

Former athletes teachers gymnasts dancers sports fans & parents.

Take it from a guy who was as low on the athletic ability pole as you could be. But I loved to teach kids and watch the excitement in their faces when they learned something new. You know, when they say, "I DID IT!"

Sports changed my life. It gave me opportunities I would never have had otherwise. World travel, Olympic competition, meeting and sharing with every strata of life, waking up every day loving

what I do and being able to change young lives for the better along the way. Being a "Difference Maker." That's you. Somewhere inside you think, "I can make a difference?"

I am looking for "Difference Makers." One day each week, a few hours each time. Learn what we do and how we do it.

"But I don't know anything about this stuff" you're thinking. Welcome, you're in good company. A young teacher in a foreign country who was too big to do gymnastics became a history teacher instead. A co-worker encouraged him to get involved at the local gymnastics club. "You're a great teacher," the friend said. You know him as Mr. Olympics himself, Bela Karoyli. I could go on, but you get the idea.

Think about it. Get involved.
Email us today.
Be a "Difference Maker." We look forward to hearing from you.
