Exciting Opportunity: Director of Gymnastics at Aerials Fit'n'Fun Gymnastics Center.

Are you a visionary leader with a passion for gymnastics and a drive to make a lasting impact on athletes and the gymnastics community? We're seeking an accomplished and motivated Director of Gymnastics to lead our program to new heights and shape the future of gymnastics excellence at Aerials.

Position: Director of Gymnastics

Location: The Shoppes at Valley Forge, Phoenixville PA

Type: Full-time

About Us:

At Aerials, we have a rich history of nurturing gymnasts to achieve their highest potential. Our mission is to provide a supportive environment where athletes not only develop exceptional skills but also gain confidence, discipline, and a love for the sport.

Role and Responsibilities:

- **Program Leadership:** Develop and implement a strategic vision for our gymnastics program, aligning it with our gym's mission and values.
- **Coaching Excellence:** Oversee and guide our coaching team to ensure high-quality instruction, skill development, and athlete progression.
- **Curriculum Development:** Design progressive training programs that cater to all skill levels, from beginners to elite athletes.
- **Athlete Development:** Monitor athlete progress, track performance, and provide personalized feedback and guidance.
- **Safety and Compliance:** Ensure a safe training environment by adhering to safety protocols, equipment maintenance, and appropriate spotting techniques.
- **Team Collaboration:** Foster a collaborative and positive atmosphere among coaches, athletes, and parents.
- **Community Engagement:** Represent the gym at gymnastics events, competitions, and engage with the local gymnastics community.

Qualifications:

- **Gymnastics Expertise:** Strong background in gymnastics with a deep understanding of coaching techniques, skill progressions, and training methodologies.
- **Leadership Skills:** Proven ability to lead, inspire, and mentor a team of coaches.
- **Communication:** Excellent communication and interpersonal skills to engage with athletes, parents, and stakeholders.
- **Experience:** Previous experience in coaching, preferably in a leadership role, and a track record of athlete development and success.
- **Certifications:** Relevant gymnastics coaching certifications (e.g., USA Gymnastics certification) are a plus.
- **Visionary Thinking:** A forward-thinking mindset with the ability to drive innovation and growth in the gymnastics program.

Benefits:

- Competitive compensation commensurate with experience and qualifications.
- Opportunities for professional development, including attending workshops, conferences, and training programs.
- Collaborative and supportive team environment.
- The chance to lead and shape the future of gymnastics in our community.

How to Apply:

If you're a dedicated leader with a passion for gymnastics and a desire to create a lasting impact, we'd love to hear from you! Please visit us at aerialsgymnastics.com, Follow the links from "We are Hiring", print and complete an application and send it along to us at info@aerialsgymnastics.com. Please include your resume, along with a cover letter outlining your coaching philosophy, leadership approach, and why you're the right fit for the Director of Gymnastics role at Aerials.

Join us in elevating our gymnastics program to new heights and nurturing the next generation of gymnastics champions. We're excited to learn more about you and your vision for gymnastics excellence!
