Philosophy

At Aerials, we provide children with an ideal environment for having fun while enhancing all sports and motor skills through physical coordination, agility, endurance, strength and balance. The Aerials Fit'n'Fun program builds confidence through success. We believe that small successes build confidence. That new-found confidence leads to bigger successes

and an even higher level of confidence. Through this progressive "success-confidence-success" method, we help children understand how to set realistic goals and then achieve them.

How to Register

Simply drop by the Aerials Fit'n'Fun Center and register your child. Please be prepared to leave a \$65 half day or \$105 full day, non-refundable deposit for each child, and week, you wish to reserve. The balance of the camp fee is due June 1. If stopping by is inconvenient, then call us at 610-983-9044 and we'll complete your registration and credit card payment information over the phone.

Should you have any questions about our programs, please call. We look forward to hearing from you.
