Mark your Calendars! Summer Team Camp

Since 1981, we've organized top-notch gymnastics training camps and clinics across the country—and for the past 25 years, right here in Phoenixville! We turn over our gym to visiting coaches who are among the best in the world.

Our exceptional training facility welcomes renowned coaches, including national and international champions, Olympic medalists, and NCAA stars. These aren't just guest appearances—they're hands-on sessions where elite coaches dedicate themselves to helping your athletes succeed.

If a distant, costly summer camp isn't an option, join us for a local, high-impact experience at a fraction of the price. With a full spring floor, Air Track, Tumble Track, loose foam pits, trench bar, in-ground trampolines, and more, our facility offers everything your athlete needs to thrive.

Enrollment is capped at 56 athletes to ensure personalized attention and an optimal learning environment. Your gymnast will benefit from the same world-class facilities and coaching you'd find at a sleep-away camp—but without the high cost.

Plus, we keep things balanced with field trips and outings that add fun to the training. Open to all Pre Team and Team Level Athletes. Choose from two camp options:

Camp #1: June 20–23 (Saturday to Tuesday)
Team Level Camp (4 days)

Camp #2: June 25–27 (Thursday to Saturday)
Super Girl Camp (3 days)

We also offer a special session for Pre-Team athletes, ages 5–6, with daily programming from 9:30 a.m. to 12:30 p.m. in our Future Stars Morning Camp.

Ready to learn more? Scan the QR code or reach out at info@aerialsgymnastics.com.

Don't miss this chance to train with the best—right here at home!
