Summer starts June 4th

SuperParents (18 to 36 months)

only \$16

Our 45 minute "SuperParent" child & parent class introduces

18 - 36 month-olds to the Aerials environment. Children use mats, balls, parachutes, trampolines and more to discover the world around them, developing fundamental movement and problem solving skills along the way.

GymKids (pre school 3 - 5 years old)

Aerials 3 - 5 year-old program is a 45 minute class for boys and girls. We combine fundamental

gymnastics skills and FUN to enable students to develop confidence and self-esteem. The GymKids program provides a balanced lesson plan of gross motor skills, fitness, coordination, flexibility, strength and muscle development while learning the foundations of multiple sports at a young age.

School Age 1&2 (6 + years old)

Class begins with a vigorous warm up and stretch time and includes forward and backward rolls, basic jumps and locomotor skills for tumbling. On trampoline, correct bouncing and stopping, seat drops, front drops, back drops, jumps in different positions, half and full turns are taught. On apparatus, students will learn beginning support and suspension positions, the different hand grips that are used, and some beginning mounts and dismounts as well as correct landing technique.

Children with advanced skills work on all Olympic events and trampoline for a well-rounded gymnastics experience. Skills include beginning swing movements, casts and glides, control and strength in handstands, cartwheels, roundoffs,

development of flexibility needed for tumbling, and beginning of front and back handsprings.

Summer FUN!**

Over the last 19 years, we have learned a few things about what to offer for summer gymnastics. One important point we have learned ... parents and kids want gymnastics in the summer. After all, we have all this free time. NO SCHOOL. However, every parent has the same obstacle - - **COMMITMENT!**

**Fear of missing classes is the number one reason that parents do not "Commit" to getting their kids to gymnastics class in the summer.**

**The Solution**

**2 FREE CLASSES PER MONTH. COME TO ANY CLASSES OFFERED, ANY DAY.** This Summer, June 4 - August 24, monthly tuition will continue as normal, but our class schedule will change for the summer. To better accommodate many families' busy Summer schedules, ALL recreational summer classes\* are offered as drop-ins. Rather than attending the same class on the same day and time each week, you can drop into any scheduled class time that is in your child's age range or skill level. During July and August, with your monthly tuition, your child will receive a drop-in punch card. Your child can attend any 6 drop-in classes each month. **Yes, that's 2 FREE classes per month!**

**Let's go to Aerials tonight!**
