"My son thoroughly enjoyed his party! All the guests' parents were impressed and liked it a lot. I had multiple people thank me for introducing them to your facility. I am sure you will be getting more party bookings coming your way!"

 Aerials Fit'n'Fun Gymnastics Center has been host to literally thousands of parties since 1998. In fact, some of our very first party children are now parents bringing their own kids for Fit'n'Fun activities that are available only at Aerials.

 The foundation of everything we do at Aerials is geared around instruction and physical activity for all. All party activities are staff directed and lead by an instructor to ensure fun and safety.

The gym area is specifically for the children and the parents of the birthday child. All others are invited to wait and watch the fun from the lobby.
