

Summer Gymnastics! July 3 - August 31

Over the last 18 years, we have learned a few things about what to offer for summer gymnastics. One important point we have learned ... parents and kids want gymnastics in the summer. After all, we have all this free time. NO SCHOOL. However, every parent has the same obstacle - - **COMMITMENT!**

Fear of missing classes is the number one reason that parents do not “Commit” to getting their kids to gymnastics class in the summer.

The Solution

2 FREE CLASSES PER MONTH. COME TO ANY CLASSES OFFERED, ANY DAY.

This Summer, July 3 – August 31, monthly tuition will continue as normal, but our class schedule will change for the summer. To better accommodate many families’ busy Summer schedules, ALL recreational summer classes* are offered as drop-ins. Rather than attending the same class on the same day and time each week, you can drop into any scheduled class time that is in your child’s age range or skill level. During July and August, with your monthly tuition, your child will receive a drop in punch card. Your child can attend any 6 drop-in classes each month.

On apparatus, students will learn beginning support and suspension positions, the different hand grips that are used, and some beginning mounts and dismounts as well as correct landing technique.

Children with advanced skills work on all Olympic events and trampoline for a well-rounded gymnastics experience.
