Parents of Competitive Gymnasts,

We are thrilled to announce an exciting event taking place at Aerials in Phoenixville. We are delighted to

welcome Daniela Silivas and her team to our gym for the SUPER GIRL GYMNASTICS CAMP, where they will be imparting new and exciting gymnastics skills and drills to your children.

This presents a fantastic opportunity for local gymnasts to meet and train under the guidance of three highly talented and experienced coaches and athletes.

Our host gym boasts full sets of Olympic-level equipment, including in-ground resi and loose foam pits, in-ground trampolines, air tracks, tumble tracks, trench bars, and numerous overhead spotting rigs.

Miss Daniela and her staff will be actively working with your children, offering hands-on coaching rather than simply making appearances for autographs and speeches. Your children will have the privilege of training with champions.

Very Special Guest:

As a member of the Romanian senior national team, Daniela Silivas earned six individual World Championship titles, as well as the 1987 European Championships all-around title.

She was the only gymnast, male or female, to medal in every single event at the 1988 Olympics, where she received seven perfect 10 scores. She was renowned for her technical excellence, challenging routines, charming performances, and artistic flair.

With an impressive total of 15 Gold and 9 Silver medals in Olympic, World, and European Championships,

Daniela's accomplishments are truly remarkable.

Also returning is the highly popular Ken Anderson from Apollo Gymnastics in Virginia. Ken directs the Level 9 & 10 athletes at Apollo Gymnastics and consistently guides them to qualifications for Regionals and Nationals.
